### NOTES:

- 100% Scale makes a product for a head circumference of 23 in. or 59 cm. ( Scale accordingly )
- Be sure to watch the step by step tutorial on the GiveWave Studios Youtube Chanel ( IF THERE IS ONE )
- Be sure to make 2 sets taking care to flip your patterns labeled ( L/R ) to ensure Left & Right parts
- Although this can be assembled with hot glue or other types of adhesives using EVA foam, "CONTACT CEMENT" is highly recommended for maximum adhesion and durability.
