PROWLER GLOVE PATTERNS

- 2 mm Foam
- 5 mm Foam
- 10 mm Foam
- V cuts

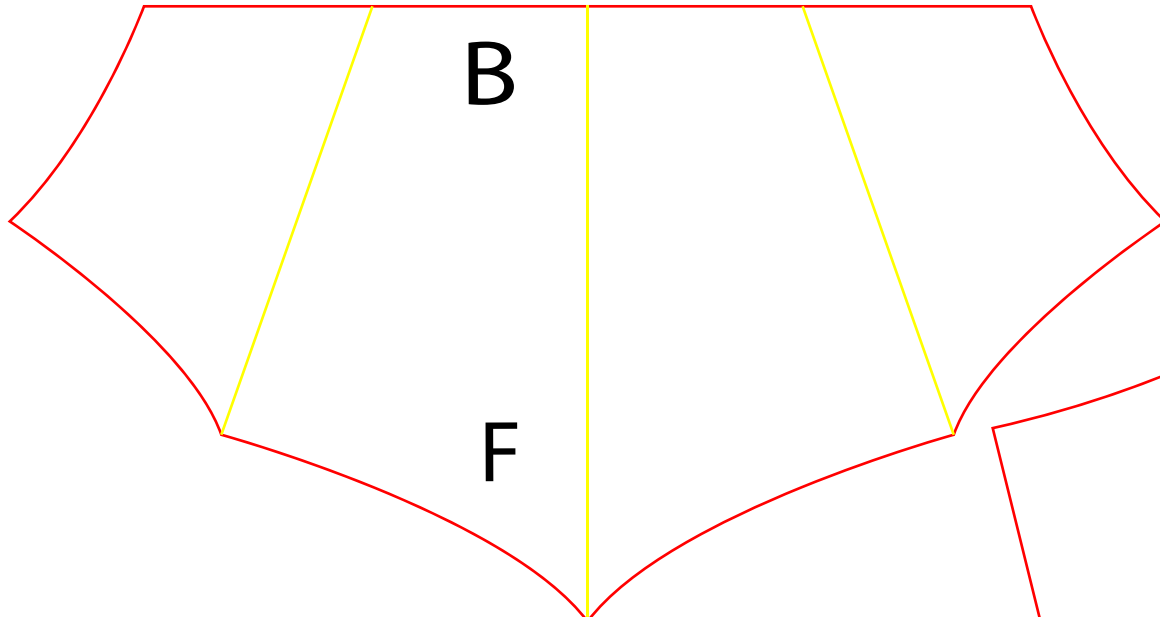

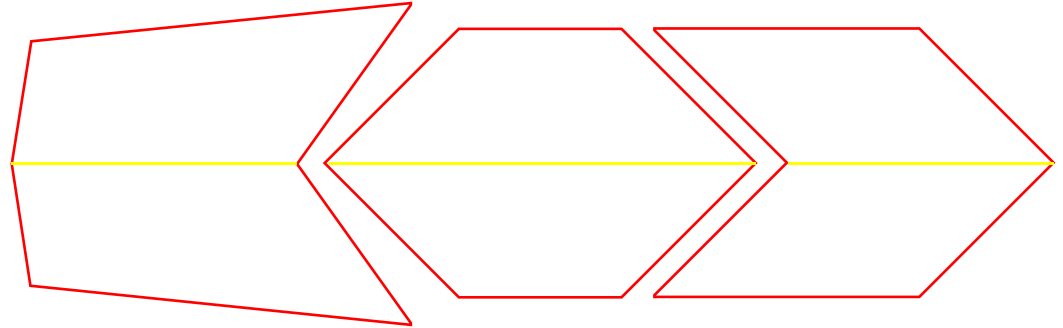

SCALE

This circle measures 1inch / 25.4 mm

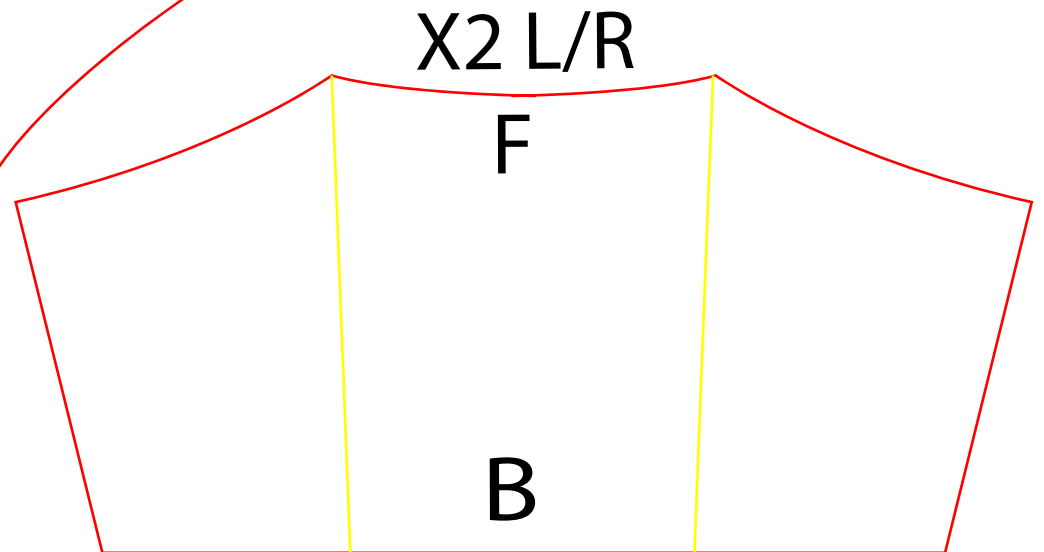

NOTES:

- Be sure to watch the step by step tutorial on the GiveWave Studios Youtube Chanel (IF THERE IS ONE)
- Although this can be assembled with hot glue or other types of adhesives using EVA foam, CONTACT CEMENT is highly recommended for maximum adhesion and durability.
